what defines us
 where reliability
 meets changing
 demands!

Futuristic Packaging Pvt. Ltd., premium quality primary packaging material supplier of plain and printed aluminium foils for pharmaceutical industry. Adhering to rapidly growing demand & keeping in view stringent norm of pharmaceutical industry, Futuristic Packaging Private Limited (FPPL) was formed in the year 2010. With a strong backing of technological strength and innovations, Futuristic Packaging is driven to deliver the best quality primary packaging materials for pharmaceutical industry. Futuristic has always stood by its commitment towards excellence in customer delightment. With great abilities, profound knowledge and expertise in the field of aluminium foil; the team of skilled management is leading FPPL in successful direction for their consistent and rapid growth.

infrastructure
advanced
technology as
our aid

Situated in very well developed industrial area of Ahmedabad, Gujarat, India. FPPL today has the most modern infrastructure in their manufacturing plant. Our manufacturing plant is designed to meet international standards in hygiene required by the pharmaceutical & food industry. Dust and insect-free manufacturing unit is spread over 1,00,000 square feet with latest generation state of the art machineries and all control parameters to ensure consistent & high quality products. Our GMP, AN ISO 9001-2008 & ISO 22000-2005 certified plant caters to the needs of rapidly changing market demands. Our unwavering commitment to deliver top-class product enabled us to maintain aluminum purity levels. We have USDMF number for aluminium blister foil DMF NO. 024773 & aluminium strip foil & DMF No.024774

List of Machinery	Q'ty
